Innovative Ag Services, LLC offers our expertise and services to assist those in the agriculture industry with the U.S. Small Business Administration funding options available through the “Coronavirus Aid, Relief, and Economic Security Act” or “CARES Act”.

Paycheck Protection Program

- 7(a) Loan to assist employers with keeping their employees on the payroll.

Loan Forgiveness after 8 weeks if all employees remain on the payroll and the loan money is used for payroll services, rent, or utilities.

Economic Injury Disaster Program Loan Advance

- Assists small businesses with overcoming the loss of revenue due to COVID-19.

Any small business with less than 500 employees, private non-profit organization or 501(c)(19) veterans organizations affected by COVID-19.

How We Can Help

The CARES Act will create a demand for ‘Agents’ to collect, process and submit confidential information to the SBA and associated lending institutions. Our qualified and professional team at Innovative Ag Services can provide this service directly to small business operators or in conjunction with a SBA lending institution. We have experience in working with lending institutions, and will with you to meet and exceed the highest professional standards.

We are offering professional services as an ‘Agent’ on a Time and Material Basis to help small businesses maximize their funding available through the CARES Act.

Volume discounts apply with large clients/lending institutions.

Call or email today for information.
